1. Welcome, roll call
2. ND Health Information Network Update - Sheldon Wolf/ Chad Peterson
 - Working with the onboarding of about 30 facilities onto the NDHIN.
 - Working with the Board of Pharmacy with obtaining the PDMP information.
 - Orion test piloting imaging to allow providers to view images.
 - The NDHIN will not be getting a no-cost extension so the deadline is March 14th.
 - Chad has been in contact with an Advanced Care Coalition for advanced directives. We anticipate the Patient Portal the end of February/beginning of March and patients will be able to upload their advanced directive.
3. Introduction Claire Ness, Attorney General's Office – Sheldon Wolf
 -
4. DSM 2.0 – Chad Peterson
 - We have become one of three early adopters of DSM 2.0. Went live last week and are working with three facilities in testing.
 - In the past there has been one certificate for all the users that are signed up. With 2.0 there will be changes with the certificate and each organization will have their own and then we will create subdomains to customize the email addresses for the organizations.
5. eHealth Gateway – Sheldon Wolf
 - Allows us to connect nationwide and to other agencies such as
 - In the process ofTowards the end of this quarter we should be able to
